Dear Mr. Jamieson:

On behalf of Ministry of Caring and those we serve, please accept our deepest thanks for your very generous gift of \$300.00.

Your contribution to our Emmanuel Dining Rooms is truly a blessing, particularly as our economy continues to struggle to recover. The number of people seeking our services is growing, while our resources remain greatly challenged. In 2014, our dining rooms were blessed to be able to serve over 180,000 meals to men, women and children.

We are fortunate to continue serving those in need through programs such as emergency shelters, dining rooms, transitional residences, job training and placement, infant and child care, health and dental care, outreach to unsheltered homeless, AIDS hospice, and permanent housing, including affordable housing for the elderly, residences for men and women with special needs, and new or refurbished homes for sale in the city of Wilmington.

In 2016, we anticipate the completion of Sacred Heart Village II residence for very low income seniors on the East Side, as well as Ministry of Caring Building, a consolidated administration site through donated property, which will enable all four Ministry of Caring administrative offices to more efficiently share resources and communication.

We are so grateful for your caring support to the poor in our community!

Gratefully,

Br. Ronald Giannone, OFM Cap.
Executive Director
