Owner: Bruce Hoffberger
Baltimore, MD

Bruce Hoffberger is the original owner of this 1967 Pace Car. It was purchased on July 3, 1967 from Fox Chevrolet, 2020 Hanover Street in Baltimore, Maryland. The car was driven on a daily basis and it experienced extended stays in College Park, Maryland, Miami, Florida and of course, Baltimore, Maryland. In 1976 usage of the Camaro reduced due to replacement of it with another vehicle for daily driving. Fortunately, Bruce maintained the car for use on 'pretty day' weekend driving. It later was stored in a garage in Baltimore for approximately 12 years. In August 2012 Bruce finally heeded the advice provided by spouse Caren Beth and sought out Ken Lucas to undertake a complete restoration. They have now named her "Phoenix".
