Ken and Cathy are the proud owners of an un-restored 1991 RS Convertible with 9,000 original miles. Their car is rare in that Chevrolet only produced 5,329 RS convertibles, and this one has custom red leather interior to boot. Their car has been to the Riverfront show over the past several years where they have won the top 25 many times as well as Best in Show at the 2013 South Jersey Camaro Club's event in Cherry Hill, NJ. It's definitely a special car.

Happy Anniversary to Ken and Cathy who celebrated their 23rd Wedding Anniversary at our June 1st show.
