

In case you haven't noticed, Pontiac's '73 Firebirds are here.

We build four different kinds. For people who take driving excitement seriously. The question is... how much do you want to get?

Trans Am: As serious as they come.

It's the red one above. See how serious it is? Everything functional. The spoilers sport. The air dams slant. That's why a lot of folks rank it as the best performing Vark on the road.

A 455-cubic-inch, 4-886, V-8 with a 4-speed manual transmission is standard. And there's a new Super

Dirt: 455-cubic-inch V-8 available.

No, the giant bird on the hood isn't functional. It's not standard either. You have to order it. But...!

Formula: Two scoops, three flavors.

The two scoops you can see on the hood above. The flavors are a 350 V-8, a 400 V-8, a 455 V-8. Order the Formula "Bird" as you see fit.

The new interior is all business.

So are the standard front disc brakes and the handling package you can order.

While the scoops look tough, the toughest part of any Firebird is the front bumper. It's made of Endura to help fight dents and dings. And it's been reinforced this year to make it stronger.

Esprit: Can a sports car be luxurious?

Esprit wraps out all about. The new bucket seats, the new slant or all- vinyl upholstery, the new instrument panel and door trim are as plush as you'll find in many a luxury car.

The ride's almost that plush, too.

Basic Firebird: What we didn't sacrifice for price.

This is our easiest to own Firebird.

You will get medical foam bucket seats, loop pile carpeting, High-Low ventilation, the Endura bumper, a strong, double-shell roof that absorbs sound, Firebird's famous styling and outstanding handling.

That's our way with sports cars. Are you ready to get serious?

Happy St. Patrick's Day

For all those Irish among us, and for those of us who just love that wonderful color of green, here are some pictures of Camaros that embrace the month of March and Saint Patrick's Day

Area Events Attended By Members:

SJ Region ACCA 45th Annual Swap Meet & Car Corral

On March 20th, 2016 at the Salem Fairgrounds in Woodstown NJ the SJ Region ACCA held its 45th annual Swap Meet & Car Corral. My son (Ben Gager) and I always make it a point to attend this great event. But as usual, as it always is year in and year out, it was cold and damp. However for the people who have never attended this event, you are missing over 20 acres of new & old parts, merchandise, antiques, and some great deals on project and non-project vehicles. For the members who know me, I'm always looking for a deal on something and I always find it at this venue.

SJ Region ACCA 45th Annual Swap Meet & Car Corral Tippin Inn Bar & Grill Grand Re-Opening Car Show

On March 27th, 2016 at the Tippin Inn Bar & Grill in Atco NJ, they had their Grand Re-Opening Car Show. I went with some of my friends on the other side of the creek and had a great time. The food & drinks they have there are incredible and the whole day was excellent. I even took home the Mayor's pick trophy for my 2005 Chevrolet Silverado SS.

Welcome
