To: The Members of The DVCC,

I'd like to take this time to thank the members of the DVCC for their generous contribution toward the Camaro Scholarship Fund at Cumberland County College. Your efforts have allowed the continuation for a student to receive an outside contribution toward their education.

May I commend the DVCC for now having multiple charities to contribute to. Giving back to different causes is a great way to set a positive example for the rest of the car hobby.

I bid a pleasant "Camaro" Autumn season to the fine members of the DVCC.

Once again, thank you for your support and generosity.

Sincerely,

Ben
